## Gender Sensitization Action Plan

Ours being an all-women's College, our challenge is both milder and different from that for other colleges. For the students, it means focusing on facilities for women in much larger scope than for other colleges. We already have this in place since inception. We also have full facilities for women in the staff, as needed. As such, our Annual Gender Sensitization Action Plan is part of our regular Human Resources approach, and does not need a special plan.
