

U.T.S. MAHILA ARTS COLLEG, MILL ROAD, NADIAD

CRITERION-7 Institutional Values and Best Practices

Annual awareness programmes on Code of Conduct (7.1.10)

The College has an Ethics Committee working under the overall supervision of the IQAC.

The college has a prescribed code of conduct for all the groups and activities, namely:

- Students
- Teachers
- Teaching
- Non-teaching staff
- Student administration
- Other administration
- NSS
- NCC
- CWDC
- RUSA
- UDISHA, SAPTADHARA [initiatives of the state government]

As ours is an affiliated, Grant-in-Aid College, the Code of Conduct for each is taken from the authorities wherever available, e.g. UGC, Sardar Patel University [our affiliating university], government, etc. Wherever it is not available, we have devised our own e.g. the Human Values document.

All these are available on our website where they differ from the prescribed codes by the authorities.

To inculcate these values in the various publics, we conduct regular programmes as well. For instance, the major explanation of the code for students is provided in the orientation itself, along with printed document. For the staff – teaching and non-teaching, we have held programmes when we introduced these codes, and for the new additions, the Principal personally explains these to the individual, since the additions are very few every year.

The details are as below:

Date	Seminar
10-07-2019	For college code of conduct- Students
10-07-2019	For college code of conduct Non-teaching Staff
08-07-2019	For college code of conduct- Teaching Staff

As a special initiative, our NCC Platoon of 15 students transforms itself into a “Pilot Team” which looks after the students adhering to the Code of Conduct, especially for smaller matters like cleanliness, loitering in lobbies, rowdiness in absence of a teacher etc.
